  - Who Qualifies
  - What is Different about STEM OPT
- Mentoring and Training Program
- Employer Responsibilities
- Employment Responsibilities
- Required Updates
- Form I-983
- Application Process
- Reminders
- Resources

# Who Qualifies

- Students who are currently on Post-Completion OPT and hold a degree in an eligible STEM field
  - <https://studyinthestates.dhs.gov/stem-opt-hub/additional-resources/eligible-cip-codes-for-the-stem-opt-extension>
- Students may use prior STEM degree if
  - Obtained at a SEVP-certified school in the U.S.
  - Degree was at the bachelor's level or higher
  - Degree was earned less than 10 years from date of application
- Students must be employed by companies enrolled in the DHS E-Verify program

# What is different about STEM OPT?

- STEM OPT is a 24-month extension to your existing OPT authorization
- Job requirements are stricter
- Must be full-time paid position at E-Verify enrolled employer
- Cannot be self-employed or start your own business
- Consulting or contracting may be okay – Must have some sort of supervisor-supervisee relationship
- Addition of a mentoring and training program

# What is the Mentoring and Training Program?

- Federal regulations require that a formal training plan be created between the student and employer
- The training program must:
  - Clearly lists the student's learning objectives
  - Affirm the employer's commitment to helping the student achieve those objectives

# Employer Responsibilities

- Employers must be enrolled in USCIS e-Verify employment eligibility verification program
- Employers must complete and sign I-983 form
- USCIS may visit your employers' worksite(s) to verify whether they are meeting the STEM OPT program requirements
- Employers must report changes in any of the following via I-983 form to the ISSO within 5 business days:
  - Employer name and address
  - Decrease in student's compensation
  - Reduction in hours worked to less than 20 hours per week
  - Employer's EIN
  - Termination of employment

# Employment Responsibilities

- You must be working in a paid position for at least 20 hours per week per employer; otherwise, you will accrue unemployment days.
- You cannot be unemployed for more than 150 days total (including unemployment days during your Regular OPT).
- Volunteering and unpaid internships are only allowed above and beyond your paid employment.
- All employment and address information must be current

# Required Updates and Reporting for Students

- STEM OPT Employment Update must be submitted:
  - EVERY 6 MONTHS regardless if there is a change or not
    - 6 months: OPT Employment Update online form
    - 12 months: OPT Employment Update online form and 12-month self-evaluation (last page of I-983)
    - 18 months: OPT Employment Update online form
    - 24 months: Final Employment evaluation (last page of I-983)
- Within 5 business days whenever there is a change in employment. NEW I-983 is required.
- SEVP may terminate your record if you do not make this update.

# FORM I-983

- Think of the I-983 as your training contract. DSO reviews I-983, not USCIS.
- Form can be signed electronically. See instructions for more information.

# STEM OPT Regulations

- What happens when my STEM OPT ends?
  - You have a 60-day grace period at the end of your STEM OPT. During that time you can:
    - Return to your home country
    - Enter a new degree program at Clark
    - Transfer to another US University to start a new degree program
  - You can also change to a new status
    - One common example is when your employer sponsors you for H-1B.

# Travel while on STEM OPT

- Travel outside of the US
  - Bring these documents with you:
    - Passport with valid visa
    - Printout of your most recent I-94 information
    - EAD Card
    - I-20 with the OPT recommendation on it
  - Travel signature on P. 2 should be new within 6 months
  - Proof of employment
- If you don't have proof of employment, entry back into the US is not guaranteed!
- Talk to an ISSO advisor before traveling!
